

COMMUNITY DIRECTOR UPDATE

OCTOBER 1, 2024

COMMUNITY REMINDERS

Residents are encouraged to take advantage of the Self-Help Maintenance Station, located at 3305 Derringer Dr. in the Maintenance Building, open during business hours. The station offers a variety of items to assist with home upkeep, including AC filters, 9V batteries, CO2 detectors, and landscaping equipment for residents to borrow. Stop by to pick up what you need for easy maintenance around your home!

GOOD NEWS STORY - RESIDENT REVIEW

"Thank you to the maintenance crew for taking such good care of us. They went the extra mile to resolve our issues, instead of finding the quickest and cheapest bandaid."

Recycling & Bulk Pickup Weeks

Along with your regular weekly waste collection, we will alternate between collecting recycling or bulk each week. There will be no changes to normal collection days. Recycling and bulk collection will coincide with your regularly scheduled waste collection day. Each week, residents in the **BLUE** shaded map area should expect to have recycling or bulk collected. Refer to the calendar above and/or the region map on the back.

You can view an interactive version of the region map by visiting RepublicServices.com
